

WINNEBAGO COUNTY FOREST PRESERVE DISTRICT EQUESTRIAN TRAILS

Winnebago County Forest Preserves' horseback trails were developed to afford horseback riders the opportunity to enjoy riding in the scenic beauty of the preserves. There are 26 miles of mowed trails for horseback riding with trailer parking, found in six of the County forest preserves: Roland Olson, Sugar River, Oak Ridge, Deer Run, Rockford Rotary, and Seward Bluffs.

Equestrians are allowed to use the trails when they are marked "Open" in the preserves in which equestrian use is authorized. An equestrian tag is necessary to ride in the preserves and is available at the Forest Preserve Headquarters for a small fee. Equestrians must purchase a bridle tag for the calendar year. Trails must be marked "OPEN". In addition, horse-drawn wagons are allowed on open paved roads within the preserves without a permit. **For your protection, all forest preserves are closed during shotgun hunting season.**

GENERAL RIDING TIPS

- Refrain from riding when ground conditions are wet or soft.
- Restrain on blind corners.
