

**2012 WINNEBAGO COUNTY FOREST PRESERVE DISTRICT
APPLICATION FOR METAL DETECTING
GROUND USE PERMIT**

NAME _____ FEE PAID _____ (\$10 .00)
ADDRESS _____ PHONE _____
CITY _____ STATE _____ ZIP _____

REGULATIONS

1. Useless detected items must be disposed of properly. Use the available waste cans if possible.
2. Carry a small plastic sheet as one of your tools. Lay any earth removed from the hole on this sheet for easy return to the hole.
3. Metal detecting cannot interfere with any other forest preserve activity, planned or unplanned.
4. Metal detector users must cooperate fully with all forest preserve personnel and all law enforcement officers.
5. No shrub, tree, or flower may be destroyed when detecting for metal objects.
6. Metal detector users must have their permit on their person when metal hunting. The permit must be shown to forest preserve personnel or law enforcement officers upon request.
7. Metal detector users must observe all other Winnebago County Forest Preserve District regulations when using any forest preserve grounds.
8. Metal detecting permits are issued for a period of one calendar year only.
9. Permits may be revoked by the Winnebago County Forest Preserve District and must be surrendered upon request.
10. **Golf courses and Macktown Forest Preserve may not be used as metal detecting areas.**

I hereby certify that I have read and understand the above regulations and will be responsible for carrying them out.
